If the post of the Asst Engr was sanctioned it was thought that the continuance of the post of the overseer in the Mty was unnecessary and expensive in view of the poor finances of the Mty and hence the continuance ^{or otherwise} of the services of the overseer as well as the grant ^{of a personal} allowance to him was ordered to be

The President,
Town Municipal Council,
Shimoga

Sir,

I beg to submit that, as you are aware, the work in the Public Works Section of this Municipality is steadily increasing in volume and is comparable to that of a subdivision in the State Public Works Department. The expenditure under this head proposed in the budget for the year 1945-46 is nearly two lakhs of rupees and the revenue anticipated from this section is a lakh and a half. To carry out works of this magnitude an Assistant Engineer and a few Surveyors would generally be posted in the Mysore Public Works Department. With the liberal facilities for work extended to me by the Council, your goodness and your predecessors in Office, I have been able all these years to discharge the heavy responsibilities of my office to the satisfaction of the public.

I am a Science and Engineering Graduate. I have eleven years experience in engineering works. I joined service in the Government in the year 1938 on a pay of Rs 60/- per month. A number of my friends in the Public Works Department (some of them younger than I, both in age and in experience by five to six years and with generally the same qualification as I) are to-day in the position of Assistant Engineers on Rs 175/- per month. But I am still a surveyor on Rs 75/- per month.

In consideration of my qualifications, service and the very heavy responsibilities entrusted to me in the Municipality.

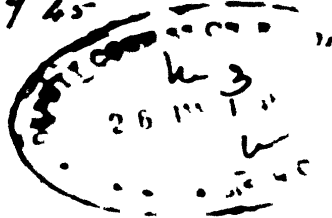

I pray that you may be pleased to grant me a personal allowance of Rs. 50/- per month, thus enabling me to draw Rs. 125/-, the maximum pay of a Overseer in the Public Works Department. This I am sorry to submit, is less than the pay that engineering graduates placed in similar charges are getting in other departments.

Be first the favour of sympathetic consideration,

I remain,
Sir,
Your most obedient servant,

Amal Kumar
Municipal Overseer.

Dear Mr. Mallaradnya,

I write this to bring to your notice

the case of one Mr B N Subba Rao who is the Municipal Overseer in the employ of Shimoga Town Municipal Council.

The Municipal Council have recommended that he be given a personal allowance of Rs 50/- per mensem. The resolution was passed on 24-11-45 and the matter was referred to the Deputy Commissioner. The latter has submitted it to Government for sanction and I understand that he has recommended the same on 2-3-46 in his No. M3 P L 270-C 2388/45-46. You may remember the Council have asked Government to Sanction an Assistant Engineer to the Shimoga town Municipal Council. There is a lot of engineering work in this Municipality and the present Overseer has been doing his best to cope with the work, working overtime frequently. He is a graduate in Arts as well as in Engineering. He has put in 8 years of service and is now getting a rather meagre salary of

P t o

of Rs 85/-. In view of all these circumstances
the Municipal Council have recommended that he
be given a monthly personal allowance of Rs 50/-

In my opinion this is a very deserving case
and I request you to kindly see that Government
accord their approval to the resolution of the
Municipal Council.

With kind regards.

Yours Sincerely,

J. B. Mallaradhya

To

The President,
Town Municipal Council,
SHIMOGA

Sir,

I beg to submit that I have served this Municipal Council for the last nine years to the best of my ability. During this period the population of the town increased from about 26,000 to about 40,000 i.e., by about 54 per cent. The Revenue and Expenditure of the Municipality increased from Rs 1,00,000 in 1938-39 to Rs 8,63,000 in 48-49 (as per budget fore cast). The expenditure under Public Works and Water Supply was Rs 28,000/- in 1938-39 and is Rs 1,70,000/- for 48-49.

The Municipal Council have all along been striving to increase the civic amenities of the town population. All the Ministers of Government who were kind enough to visit this town recently appreciated the good work of the Municipal Council in the service of the Ratepayers and in particular their solicitude for the welfare of the poor and the Depressed classes.

It has been my proud privilege to be intimately associated with all the improvement works of this town. I have taken keen interest in relaying the slum areas of Mandali, Marnomibile, Chaltvadi Keri and other localities where Harijans live and laying out the new extensions of Hosamane, Millaghatta and Sheshadripura.

In generous appreciation of the heavy work entrusted to my charge the Municipal Council sanctioned in 1945 the payment of an allowance to me of Rs 50/- per month from 1-1-1945 to the Deputy Commissioner, supported the resolution of the Council and recommended to Government to accord their sanction to the same. In spite

F T O

of repeated requests of successive Presidents of the Municipal Council and recommendations of the Deputy Commissioner and the assurances of the Ministers during their visits to this town Government have not yet accorded their sanction to the resolution of the Council

I pray, Sir, to recommend to Government once again to accord their gracious sanction to the resolution of the Municipal Council, granting me an allowance from 1-1-45

I beg to remain,
